

1ST ANNUAL CJD/ “PATRICE HAGGERTY SCHOLARSHIP” GOLF TOURNAMENT

On July 3 , 2016, Patrice Haggerty, a wonderful wife, mother, and grandmother, was lost to a terrible disease. **Creutzfeldt-Jakob Disease (CJD)** is a rare, fatal, degenerative brain disease, first discovered in 1920, that afflicts roughly 300 Americans each year. In most cases, it is not contracted or inherited, but rather sporadically occurs in people with no known risk factors, debilitating them without warning. In the early stages of the disease, symptoms such as failing memory, behavioral changes, lack of coordination, and visual disturbances occur. As the illness progresses, mental deterioration becomes pronounced and involuntary movements, blindness, weakness of extremities, and coma may occur. In ninety percent of cases, the disease claims its victims within one year of experiencing its first symptoms. There is currently no single diagnostic test for CJD. There is also no treatment that can cure or control CJD. Due to the lack of awareness both by the public and many health professionals, many cases go misdiagnosed.

To help fight this disease, join us **Monday June 26, 2017**, at Canterbury Woods Country Club in Canterbury, NH for the 1st Annual CJD/”Patrice Haggerty Scholarship” Golf Tournament fundraiser. The funds raised will be equally distributed between the CJD Foundation and will go toward establishing the Patrice Haggerty Scholarship to be awarded to a college-bound high school senior. Sign-up yourself or a duo to this **2-person best ball** fundraising tournament. Bring pledges from friends, family, or co-workers greater than \$0.25 per stroke to help this worthy cause. You and your partner will take your best score on each hole, tally that score up at the end of your round and collect its pledge equivalent from each of your pledgers.

EXAMPLE:

<i>Pledger</i>	<i>Amount (\$)</i>	<i># of Strokes</i>	<i>Total Amount Raised</i>
Aunt Mary	0.25	80	\$20.00
John Doe	1.00	80	\$80.00
			\$100.00

Mulligans will be available. There will be tournament prizes as well as a prize for the person who raises the most pledged money.

Thank you. Your participation will help to advance progress to ensure that more strong, courageous, and beautiful people like Patrice are not lost to this devastating disease.

Creutzfeldt-Jakob Disease
Foundation, Inc.

**1ST ANNUAL CJD/“PATRICE HAGGERTY SCHOLARSHIP”
GOLF TOURNAMENT**

Team Entry

We/I want to enter the CJD/Patrice Haggerty Scholarship Golf Tournament

1ST ANNUAL CJD/ "PATRICE HAGGERTY SCHOLARSHIP"
GOLF TOURNAMENT

Thank you for your participation.

On July 3rd 2016, Patrice Haggerty, a wonderful wife, mother, and grandmother, was lost to a terrible disease. **Creutzfeldt-Jakob Disease (CJD)**, a rare, fatal, degenerative brain disease, afflicts roughly 300 Americans each year. In most cases, it is not contracted or inherited, but rather sporadically occurs in people with no known risk factors. In 90% of cases, the disease requires less than one year from experience of first symptoms to claim its victims.

Because CJD is so rarely diagnosed, public awareness and research toward answers is limited. Your participation in this fundraising tournament will help to advance progress to ensure that more strong, courageous, and beautiful people like Patrice are not lost to this devastating disease.

The funds raised will be equally distributed between the CJD Foundation and toward establishing the Patrice Haggerty Scholarship to be awarded to a college-bound high school senior.

We are asking each player-participant to obtain pledges in excess of \$0.25 per stroke for this 2-person best ball tournament.

EXAMPLE: \$0.50 per stroke x 80 strokes = \$40

Person I am pledging for: _____

My First Name: _____ Last Name: _____

E-mail Address: _____ Per stroke Pledge: _____

Creutzfeldt-Jakob Disease
Foundation, Inc.
